

The San Diego Flyer

Prez Sez . . .

Glenn Frehafer

I would like to take this opportunity to thank everyone that was involved in this year's election process for officers and club board members for the coming year.

First of all, you all did a great job of taking on the responsibility in a serious way. Our nomination committee did a wonderful job interviewing prospective nominees and presenting the membership with a viable slate of qualified nominations.

I really appreciate those of you who were able to step up to the plate and were willing to serve the club. I believe that this election will make us a stronger club and more able to make informed decisions and deal better with adversity in the year to come.

With the addition of 3 new board members I think that our board will better represent the membership in matters which may be considered by the leadership, and give us more insight into the needs of the membership.

I would also like to thank those that stepped up to fill positions that were left open by illness or that were sorely needed such as our News Letter Editor, Membership chairman, Technical Adviser, EAA Liaison.

Last but not least, I would like to thank the membership for validating the election process by being present as a quorum body to vote during the last meeting and approving the nominations placed before you. You all did a fantastic job and you should be proud of your accomplishment.

If you weren't able to attend the November meeting see the minutes for a list of names for all of the positions filled during the election. The minutes are located in this newsletter.

Next month we will have our annual Christmas party. Don't miss it!

Best regards,
Glenn

SDUA Meeting Minutes November 4, 2017

Guests:

Travon Dixon - Intro Cessna flying
