## SDUA Meeting Minutes October 2<sup>nd</sup>, 2021

President **Larry Faast** brought the meeting to order at 10:10AM. Larry led the club in the Pledge of Allegiance.

**Guest visitors:** We welcomed **Mark Wash** as a new member. He's from Alpine and owns a Cessna 150. We also welcome **Steve Honeycutt** who wants to fly an ultralight. **Francis Jernejcic** is a visitor. He flies an RV-7 and a Cessna 172. Other visitors included **Bill Burlow** and **Tom Cutt**. Another visitor included **Gary Ream** who flies a Comanche 250.

**Mike Sandlin:** said we have 41 paid members as of this month.

**Mark Novak** gave his treasures report. We have \$ 92,013.06 in the club account. And as a reminder, we may need to pay most of this money back to Skydive when we sign a new sub-lease, hopefully this year. **Mark** said we collected \$ 320 in food donations and \$ 220 from the raffle during the September 11<sup>th</sup>, 2021 annual fly-in. We also paid \$900 for food and \$ 220 to the air boss (**Kevin Casson**) for the fly-in.

By all accounts we had a reasonably successful annual club fly-in. We had more than 50 people attend. Special thanks to **Glenn Frehafer** for organizing the event and for **Oscar Gonzales** and his lovely wife **Elva** for cooking delicious food. Special thanks to **Robin McGrew** and his PPG boys for their flight demonstration.

**Larry Faast** continues to work with the sub-lease committee and **Bram**, the owner of Skydive San Diego on the club lease renewal.

A special thank you to **Rose Sayder** for baking good stuff for us to eat at the meeting.

**Allan Lee** is making plaques at home featuring the SDUA logo which he is selling.
